

Dr. Hannah Okafor

Department of Biology, Midwestern State University | h.okafor@example.edu | ORCID 0000-0002-1234-5678

RESEARCH INTERESTS

Microbial ecology, soil metagenomics, climate-driven carbon cycling.

ACADEMIC APPOINTMENTS

Assistant Professor of Biology, Midwestern State University 2019 · Present

- Lead a lab of 4 PhD students and 6 undergraduates studying soil microbial communities
- Teach BIO 210 Microbiology (120 students) and graduate seminar in metagenomics

Postdoctoral Research Fellow, University of Wisconsin-Madison 2016 · 2019

- Developed metagenomic pipelines in R and Python for 2,000 soil samples

EDUCATION

Ph.D. Microbiology, Cornell University, 2016

B.Sc. Biochemistry, University of Lagos, 2010

GRANTS AND FUNDING

NSF CAREER Award, PI, \$850,000, 2022-2027

USDA NIFA Foundational Program, Co-PI, \$500,000, 2020-2023

TEACHING

BIO 210 Microbiology, 2019·present; BIO 590 Metagenomics Seminar, 2020·present

INVITED TALKS

ASM Microbe 2023, Houston TX; ISME 2022, Lausanne, Switzerland

SERVICE

Reviewer for ISME Journal, mSystems; Graduate admissions committee 2021·2023

PROFESSIONAL MEMBERSHIPS

American Society for Microbiology; Ecological Society of America
